

Lansing Cai

experience

EFNEP EXTENSION | February 2016 – Present

- Research, brainstorm, conceptualize, discuss, plan and design identity for the entire program.
- Overhaul existing design work flow to improve efficiency and increase communication between teams.
- Establish branding for annual conference with deliverables including materials used for presentations, name tags, books, and posters that exist in both print and digital platforms.
- Formulated products such as pamphlets, maps, instruction guides, measuring cups, aprons, T-shirts, award plaques, award certificates, and photo booth props.

QUANTUM BAKERY | January 2016 – Present

- Prototype mobile app UI mockups with animations, color guide, and asset files for Android and iOS implementation.
- Create moodboards for brand strategy.
- Launch marketing materials, illustrations, investment books and website for mobile and web.
- Compose graphics, layouts, and animations for 2 highly successful Kickstarter campaigns (Glow and Figment VR) collectively raising over \$650,000 in funding.

RED & BLACK | June 2015 – December 2015

- Devised infographics for stories, illustrations, cover, showcase spreads, advertisements.
- Delivered spreads and graphics alongside articles on a timely basis for publication.

AXON TUTORS | Sept. 2014 – February 2015

- Created graphics and illustrations for website, study packets for tutoring sessions and MailChimp templates.
- Unified brand identity and assembled brand guidelines.
- Conceptualized logo variations for brand.
- Produced all photography for social media and advertising platforms.

BPSOS, INC. | May 2011 – August 2011

- Spearheaded an after school program for 25 high school students to develop design skills using Adobe CC.
- Led discussions on creative topics and projects assigned.
